Education

VIT Bhopal University	Bhopal, Madhya Pradesh
BTech	Expected May 2026
Major in Computer Science with specialization in Gaming Technology	
Cumulative GPA: 8.45/10	

12th Standard

Jawahar Lal Nehru	Bhopal, Madhya Pradesh
CBSE percentage: 75%	Jul 2022

10th Standard

Jawahar Lal Nehru	Bhopal, Madhya Pradesh
CBSE percentage: 71%	Jul 2020

Projects

Navigation App	Jun 2023
----------------	----------

- Developed a user-friendly Navigation App for VIT Bhopal's academic block that provides real-time directions and location services for teachers and students, enhancing campus navigation and accessibility.
- Integrated advanced mapping and GPS features to create an efficient, responsive, and intuitive interface, improving user experience and reducing time spent searching for classrooms and facilities.

Game of Trust	Jan 2024
---------------	----------

- Designed and developed "Game of Trust," a 2D decision-making game on an online platform that challenges players to navigate complex trust-based scenarios, enhancing critical thinking and strategic decision-making skills.
- Implemented engaging gameplay mechanics and intuitive UI to create an immersive experience that encourages players to explore the dynamics of trust and betrayal in various contexts.

Extracurricular

National Service Scheme	October 2022
--------------------------------	--------------

- Part of NSS Club(VIT Bhopal)

Computational Chemistry Symposium	October 2022
--	--------------

- Took part and received certificate.

- Attended 2-day workshop and received certificate.

ADDITIONAL

Hackathon: Won the first round in Atom Quest 2024 Hackathon, Unstop Platform.

Technical Skills: Python, Excel, SQL, Java, DBMS, HTML, CSS, JavaScript.

Languages: Fluent in Hindi, English.

Certifications & Training: **Online courses:** Foundation of Cyber Physical System, Introduction to AR/VR/XR, Fundamentals of AI and ML, Python essentials. **Offline courses:** I-MEDITA, Computational Chemistry Symposium.

EXPERENTIAL LEARNING

Pune from 23th September 2024 to 27th September 2024-

I gained hands-on expertise in networking and cybersecurity at a 2-day workshop by I-Medita, explored telecom infrastructure at BSNL, and attended entrepreneurship sessions led by Mr. Milind Datar, Co-Founder of CaneBOT, focusing on innovation and business development.

Hyderabad from 30th September 2024 to 4th October 2024-

I expanded my technical knowledge by visiting the ISRO-NRSC Outreach Facility to learn about satellite technologies, understanding operational challenges at L&T Metro, and participating in hands-on robotics activities at a seminar hosted by Sabik Academy and Sabik Technology.
